

FOR IMMEDIATE RELEASE  
RAIN FOREST WEEKENDS AT ROARING CAMP  
January 1 – April 1 (weekends only)

Felton, Calif. - Learn about California's own rain forest...its forests of coastal redwoods. Roaring Camp is offering weekend excursions of the Rain Forest by rail January 1 to April 1st.

Located in the Santa Cruz Mountains just a few miles from the ocean, the forest flourishes in moderate temperatures and a year-round water supply provided by frequent Pacific systems and dense fog.

Roaring Camp President Georgiana Clark says, "In winter, California's rain forest is most dramatic. Storms whip branches; foliage glistens; and the air is filled with the aroma of California bay laurel and tanbark oak."

As guests ride at branch level through a virgin forest by steam train, fascinating information about the California coastal redwoods and forest ecosystem is revealed.

Rain Forest weekends operate Saturdays and Sundays at 12:30 pm from January 1 through April 1. Regular Redwood Forest trains depart Mondays-Fridays at 12:30 pm. Tickets are \$24 adult, \$17 child (2-12 years). Parking is \$8.

Roaring Camp is in Felton, six miles north of Santa Cruz. Exit State Route 17 at Mt. Hermon Road, left at Graham Hill Road, then ½ mile to the entrance. For information and tickets, call (831) 335-4484 or visit [www.roaringcamp.com](http://www.roaringcamp.com).
