

## 2018 | Wholesale Tour & Travel Information

During your next Northern California visit, come experience Roaring Camp's towering redwoods, just 80 miles south of San Francisco. See old growth coastal redwoods from two historic railroad excursions, shop the old-fashioned general store, explore vintage structures and enjoy authentic western cooking from the Chuckwagon Barbecue.

Unlike other redwood forests, there are no restrictions on size of group or motor coaches. Ample parking is available and permits to visit are not needed. Complimentary train fare and meals are provided for tour escorts and drivers. Roaring Camp is located adjacent to Henry Cowell Redwoods State Park. A stop by their Visitor Center is a great addition to every Roaring Camp visit.
